

45 cm Built-in Panel Ready Dishwasher Heritage Series

£ 749

DW45S3IEPDC

This Bertazzoni 45 cm built-in dishwasher is compact yet highly functional, offering a capacity of 10 place settings on across three racks, including a height-adjustable upper rack and a multi-functional rack.

The motor is equipped with a turbidity sensor that automatically adjusts the wash cycle duration based on the level of soil on the dishes, ensuring efficient and tailored performance.

The durable stainless steel tub is resistant to corrosion and improves heat retention for better washing and drying efficiency.

Featuring a Floor Projection Status Light, it provides real-time updates on the wash cycle status by projecting a light signal onto the floor. The four fixing points, two on each side, ensure a stable and precise installation.

E energy rated.
