

60 cm Built-In Bottom Mount Sliding Door Heritage Series

REF603BBNPPE

The Bertazzoni 60 cm built-in bottom mount refrigerator offers 248 litres capacity split between the fridge and three freezer drawers. The refrigerator is equipped with three shelves and a bottle compartment. The freezer No Frost system means you will never have to defrost it. The touch controls are positioned so that adjusting the temperature is easy, while the LED lights allow you to quickly find what you're looking for. Designed to fit seamlessly into your kitchen this refrigerator comes with the Sliding Door system. Energy class F.
