

120 cm Wall Mount, 1 motor
Heritage Series

K120HERNE

Matching the 120cm Heritage design, this hood ventilation system with mesh filters has a base assembly in stainless steel a canopy in matching color. There are four settings for different extraction levels. Two LED lights give bright worktop illumination. Removable filter elements are dishwasher safe. The hood chimney is height adjustable. Recirculation kit option. Products and packaging are 99% recyclable. Bertazzoni Green
