

75cm built-in bottom mount refrigerator with ice maker and water dispenser Master Series

€ 5.900

RBM75S5FPNS

This Bertazzoni 75 cm built-in refrigerator freezer is engineered and manufactured to meet the highest grade of quality and performance.

This entire unit has ample storage capacity, with 323 L of refrigerator volume and 126 L of freezer space. The refrigerator compartment has 3 shelves of which 2 are height-adjustable. Additionally, it features 1 Fresco drawer with separate digital controls. This zone precisely keeps the temperature of -1°C to +5°C, preserving fresh food nutrients, flavors, and visual appearance substantially longer. The Dual Cooling Total No Frost provides an automatic defrosting function for both evaporators to ensure optimized food storage conditions. The freezer compartment has 2 metal drawers and an automatic ice maker.

The electronic touch-control LED interface simplifies setting and monitoring of all vital functions. LED lights on the top and sidewall provide clear illumination of the interior space. The internal water dispenser is equipped with an inline filter for hygienically clean drinking water and ice.

Using one of the 3 available handle kits in Professional, Master and Heritage Series style, this refrigerator integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Stainless steel door panel and handle kits are sold separately.

E Energy Rated, this appliance ensures a highly reduced energy consumption, while providing optimal performance ratings.

All Bertazzoni appliances are covered by a 2-year warranty.
