

60x45cm Combi-Microwave Oven, LED touch Display Modern Series

FMOD4053MLB1

This Bertazzoni Modern Series 60x45 cm combi microwave has 7 functions. It offers all the benefits of a multi-function electric oven and microwave oven in one. With three levels, it is big enough to cook for the whole family and features two technologies for the versatility of convection, regular or grill-heating modes. The microwave has five power levels. It is possible to control the microwave through the intuitive full touch LED display. The opening door is equipped with a modern black glass handle.
