

80 cm induction hob with integrated hood Modern Series

£ 2.199

P804ICH2M30NT

This 80 cm induction hob combines advanced performance with elegant design. It features 4 high-efficiency induction cooking zones, each offering 9 power levels and a Booster function for ultra-fast boiling. The Single Slider control enables simple and precise adjustment of all cooking parameters.

The integrated hood, available in ducted or recirculating mode offers 5 speed settings and it is completely safe against water spills ensuring maximum protection and convenience.

For recirculating installation, a compatible accessory kit must be purchased separately.

Designed and manufactured entirely in Italy, this hob reflects the excellence of Bertazzoni's engineering and design — a perfect blend of innovation, style, and Made in Italy quality.

Specifications

Features

Worktop

Controls	multi slider
Size	80 cm
Number of induction zones	4
Worktop type	induction
Worktop design	ceramic glass bevelled
Worktop controls	touch controls
Power levels	9 + booster
Timer	yes
Safety induction cooktop	child lock / residual heat indicator / pot detection / overflow security
Automatic pot detection	yes

Cooking zones

Induction front left	2100 W (booster 3000 W)
Induction back left	2100 W (booster 3000 W)
Induction front right	2100 W (booster 3000 W)
Induction back right	2100 W (booster 3000 W)

Hood

Hood type	integrated
Speed	10
Output air extraction (m³/h)	640
Hood special functions	automatic operation / booster / filter saturation alert / timer
Sound level maximum speed (dbA)	66 dbA
Energy class	A++

Technical specifications

Absorbed current (A)	32 A
Voltage and frequency	220/240 V - 50/60 Hz
Absorbed power (W)	7400 W
