

80 cm induction hob with integrated hood Modern Series

£ 1.499

P804ICH30NP

This 80 cm induction hob combines advanced performance with refined design. It features 4 high-efficiency induction cooking zones, each with 9 power levels and a Booster function for rapid boiling. A single slider control allows for intuitive and precise adjustment of all cooking zones, offering a smooth and user-friendly experience.

The integrated hood, available in both ducted and recirculating versions, offers 5 speed levels and is fully protected against liquid spills, ensuring maximum safety and everyday convenience.

For recirculating mode installation, a compatible accessory kit must be purchased separately.

Entirely designed and manufactured in Italy, this hob reflects the excellence of Bertazzoni engineering and design — a perfect synthesis of innovation, style, and authentic Made in Italy quality.
