

100 cm induction top electric double oven Professional Series

PRO1005IMFEDXT

The double-oven range cooker give great versatility and style to your kitchen. The main oven electric oven has 11 functions, from convection, baking and grilling to warming and displays the oven functions selected , manages time during cooking and gives feedback on real-time temperature. The useful auxiliary oven has four modes. Triple-glass doors minimise heat loss.

The hob has an induction top with five heating zones, including booster feature, pot detection and residual heat indicator for each zone.

Matching range hood and backsplash available.

Products and packaging are 99% recyclable. 

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.
