

60 cm induction top electric oven Professional Series

£ 2,299

PRO6411EGIT

This convenient size gives great versatility to your kitchen design, and is ideal where a new cooker is needed to fit into existing cabinetry.

The electric oven has 11 cooking functions, including pizza function and fast-preheat.

The hob has an induction top with four heating zones, including booster feature, pot detection and residual heat indicator for each zone.

Matching range hood and backsplash available.

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.
